Dear Parents/Legal guardian,

Welcome to the new school year! I'm very excited to meet your child in the classroom this year! I would like to get to know a little more about your child, and what I can do to help your child have a successful year. Please answer the following questions that are attached behind this letter and return to me as soon as possible. Your response is very important to me.

Parent teacher conferences are an excellent way for teachers and parents to share information and goals. In this conference we can meet together and discuss the progress and goals of your child. Please call and schedule a conference with me.

I'm preparing classroom procedures and routines that I will utilize for the students this year. I will have designated bins for each student so they can access their school supplies to avoid any confusion. I will also have designated cubicles with names and picture of student so they know where to hang their backpack as a daily routine. Together we can make your child successful and help he/she in anyway possible! I am looking forward to a great year and to meet you!

Sincerely,

Jazmine Ceron
